

3. Pictures of the vehicle

We only display cars with photos. You can **start with one** and add more after your listing is live.

OUR TIPS

- ✓ Use the landscape format
- ✓ Follow our angle guidelines
- ✓ Keep the background clear and neutral
- ✓ Use only natural daylight

MAIN PICTURE

A 3/4 front photo that stands out: it is the first one drivers see.

3/4 Front

ADDITIONAL PICTURES

A side photo to give an idea of the size of your car.

Side

A 3/4 back photo to complete the exterior overview.

3/4 Back

An interior photo to help drivers picture themselves behind the wheel.
